TODAY: 15th SUNDAY IN ORDINARY TIME: Jesus Himself self selected the apostles and sent them two by two on their first mission journey. Their mission is the same as Jesus' mission: they are not to stop at one place; they are to keep going. He was sending them two by two to be of help to each other, and to be witnesses of a good life to others. The Lord asks of them to be faithful to His message which they will preach, and to a holy of life. The apostles were not only to preach the "Good News", but also to live it. The Lord was sending them to evangelize the world, giving them the power over unclean spirits, and the the prophetic power to perform miracles. No Jewish Rabbi evr did this. Jesus could because He is the Son of God. Later He will say: **"All authority in Heaven and on earth has been given to me." (Mt. 28: 18). "As the Father has sent Me, even so I send you." (John 20: 21).** Such was the beginning of the Church. The Church began to grow because of the apostles' mission. She is to be the Church of the poor, "without bread, bag and money", so that the the power of God and the power of grace might be witnessed in the expanding of the Church. **"If somewhere people do not accept you, shake the dust off your feet in testimony against them."** Whenever the Israelites returned to Palestine from pagan regions, they would shake the dust from their feet. When the apostles did the same it would not be a sign of condemnation but but a sign of opportunity missed to make an act of repentance, and to be ready to accept the "Good News".

DANAS:15. NEDJELJA KROZ GODINU: Sam je Isus pozvao dvanaestoricu i On ih opet dva po dva šalje na njihovo prvo " misijsko putovanje" - Njihovo je poslanje isto kao i poslanje Isusovo: oni se ne mogu nigdje zaustaviti, nigdje stati. Šalje ih dva po dva da budu jedan drugome od pomoći i svjedočanstvo dobrog života. Gospodin traži od njih vjernost poruci, koju će navještati, i svetost života. Apostoli nisu dakle morali samo propovijedati Evanđelje, nego su ga i sami morali živjeti. Gospodin ih šalje na njihovo putovanje evangelizacije svijeta dajući im vlast nad nečistim dusina, prorčku vlast i vlast činiti čudesa. Nikada se nijedan židovski rabin nije usudio doći na takvu misao. Isus je to učinio, jer je On bio Sin Božji. Reći će kasnije: **Dana mi je sva vlast nebeska i zemaljska...Kao što je mene poslao Otac, tako i ja šaljem vas.**" (Mt. 28:18, Iv. 20:21). Tako je započeo s ustanovom svoje Crkve. Po tom poslanju dvanaestorice počela je rasti Crkva. Ona po Kristovoj zamisli treba da bude Crkva siromaha, bez "kruha, torbe i novca", da se i u njezinu širenju očituje prisutnost Božja, snaga i moć milosti.**"Ako vas gdje ne prime te vas ne poslušaju, izidite odanle i otresite prah ispod svojih nogu njima na svjedočanstvo."** Kadgod su se Izraelci vraćali u Palestinu iz poganskih mjesta, ottersali su prah s nogu. Kad su to činili apostoli nad poganima, koji ih nisu primili, nisu to činili da ih prokunu, nego potaknu na razmišljanje, da u njima probude pokajanje i spremnu volju da prihvate Evanđelje.
