TODAY 30th SUNDAY IN ORDINARY TIME: The Pharisee in the Gospel stood apart while praying. His thanks to God was really a boast that he was unlike other ordinary men who did not obey God's commands. The Pharisee fulfilled his obligations; fasting and tithing on his income. In praising himself, he condemns others. "*I am not like other men.*" is his claim. He feels he is more devout than the tax collector. disliked by all who dared not raise his head in the Temple. The tax collector who was aware of God's presence and of God's knowledge of all his failings. The tax collector was humble and repentant. He did not compare himself to others. "*O God, You alone are great. I am insignificant. Only You are Holy; I am miserable and sinful. You are Absolute Light; I am in heavy darkness. You are Infinite Beauty; I am a miserable caricature of Your creation. You are Love asking perfection of us; I was negligent and betrayed Your Love.*"

WEDDING BANNES II: Brian David Swartz and Jennifer Nahrebeski.

All Souls Novena begins Sat. Nov 2 at the 7:30 AM Mass. For special prayers for your dear departed fill out the special envelope from the vestibule or in your envelope box and drop in collection.

DANAS: 30. NEDJELJA KROZ GODINU: Farizej je stajao dok je molio. Njegova je molitva zahvalna: ali pogrešno zahvalna, jer Bogu zahvaljuje što nije kao drugi ljudi, koji se ne drže Božjeg zakona, nego ga krše. K tome on savjesno izvršava sve druge obaveze: posti i daje od svega što stekne desetinu....No sebe izdiže iznad drugih ljudi: "Nisam kao ostali ljudi." Posebno se izdiže iznad omraženog carinika, koji se nije usudio ni pristupiti naprijed niti podignuti svoje oči prema žrtveniku...Bio je svjestan Božje prisutnosti i pogleda Svevišnjega, koji je prodirao sve do najskrovitijih dubina njegove savjesti i zato se skrušio i ponizio, jer je bio svejestan svoje grešnosti. Ne mjeri se s drugima, jer je Bogu zgriješio i pred Njim se osjeća krivim. Kao da je govorio: Samo Ti si velik, ja sam malen. Samo Ti si svet, a ja sam bijedan grešnik. Ti si aposolutna svjetlost, a ja teški mrak. Ti beskonačna ljepota a ja bijedna karikatura tvog stvorenja. Ti si ljubav, koja i od nas tražiš savršenstvo, a ja sam toliko podbacio i tvoju ljubav izdao.
