TODAY: THE MOST HOLY BODY AND BLOOD OF CHRIST

Last Sunday we meditated on the mystery of the Most Holy Trinity. Today is the Solemnity of the Corpus Christi. The Eucharist is the Body and Blood of the Risen Lord under the species of bread and wine -His real body and His real Blood. The evangelists emphasize this in their writings about Jesus' appearances after His Resurrection. His Body is not susceptible to the conditions of mortality as it was before his Resurrection. The Risen Body is the one that suffered and was crucified, but it possesses new characteristics. His body is now invisible to the human eye. We do not perceive the Risen Body and the Blood of Jesus during Holy Mass in the consecrated bread and wine because all external appearances of bread and wine are there. Jesus, present under species of bread and wine, is not limited by time or space, in every communicant. The whole Jesus is given. The Eucharist is the Sacrament of Love. At the Last Supper, before His suffering, dying, and rising, Jesus left us, His beloved Church, His greatest gift- the institution of the Eucharist until the end of the world. He is among His people and through Holy Communion gives Life Eternal.

VOCATIONS: Jesus has given us His Body to eat and His Blood to drink so as to nourish us on our journey toward the Kingdom. God has called some to share this very gift of himself in a profound way. If God is calling you to a Church vocation, call Fr. Andrew Lauricella at 716-847-5535.

DANAS : BLAGDAN TIJELOVA: Danas na Blagdan Tijelova zaokuplja tajnom Sakramenta Euharistije, to jest Tijelom i Krvlju uskrslog Isusa, pod prilikama kruha i vina. Tijelo i krv uskrslog Isusa je stvarno njegovo tijelo i njegova krv. To posebno naglašuju evanđelisti u svojim izvješćima o Isusovim ukazanjima poslije uskrsnuća. No, ono nije više podložno istim uvjetima života kao i prije. Uskrslo Tijelo je ono isto koje je bilo mučeno i raspeto, ali ono posjeduje nova svojstva uskrslog Tijela; tako se ono, za ljudsko oko nevidljivo, može na svoj način uprisutniti gdje i kada hoće. Uskrslo Tijelo i krv Isusovu čovječja osjetila ne zamjećuju u pod svetom Misom, posvećenom kruhu i vinu, premda su od kruha i vinu ostale tek vanjske prilike. Zahvaljujući svojstvima uskrslog Tijela, Isus je pod prilikama kruha i vina nazočan bez ograničenja na mjesto i vrijeme i svakom se pričesniku u hostiji daje čitav. Euharistija je Sakrament Ljubavi. Pred svoju muku, smrt i uskrsnuće, na Posljednjoj večeri najviše što je Isus mogao učiniti za sve svoje ljubljene do konca svijeta, bilo je upravo ustanovljenje Euharistije jer tako se on nalazi među svojima i po Pričesti im postaje hrana a Vječni Život.
